

Study Timeline

Each year will be broke up into 3-month quarters, for simplicity

Year 1:

Q1 – refine experimental design and stimulus for Exp. 1.

Q2 – Collect data for Exp. 1.

Q3 – Analyze data for Exp. 1.

Q4 – Write up manuscript for Exp. 1; revise and resubmit, as necessary.

Year 2:

Q1 – refine experimental design and stimulus for Exp. 2.

Q2 – Collect data for Exp. 2.

Q3 – Analyze data for Exp. 2.

Q4 – Write up manuscript for Exp. 2; revise and resubmit, as necessary.

Year 3:

Q1 – refine experimental design and stimulus for Exp. 3.

Q2 – Collect data for Exp. 3.

Q3 – Analyze data for Exp. 3.

Q4 – Write up manuscript for Exp. 3; revise and resubmit, as necessary.
